

WHAT TO KNOW

7 Reasons to Work With a REALTOR[®]

REALTORS[®] aren't just agents. They're professional members of the National Association of REALTORS[®] and subscribe to its strict code of ethics. This is the REALTOR[®] difference for home buyers:

1. An expert guide.

Selling a home usually requires dozens of forms, reports, disclosures, and other technical documents. A knowledgeable expert will help you prepare the best deal, and avoid delays or costly mistakes. Also, there's a lot of jargon involved, so you want to work with a professional who can speak the language.

2. Objective information and opinions.

REALTORS[®] can provide local information on utilities, zoning, schools, and more. They also have objective information about each property. REALTORS[®] can use that data to help you determine if the property has what you need.

3. Property marketing power.

Property doesn't sell due to advertising alone. A large share of real estate sales comes as the result of a practitioner's contacts with previous clients, friends, and family. When a property is marketed by a REALTOR[®], you do not have to allow strangers into your home. Your REALTOR[®] will generally prescreen and accompany qualified prospects through your property.

4. Negotiation knowledge.

There are many factors up for discussion in a deal. A REALTOR[®] will look at every angle from your perspective, including crafting a purchase agreement that allows you the flexibility you need to take that next step.

5. Up-to-date experience.

Most people sell only a few homes in a lifetime, usually with quite a few years in between each sale. Even if you've done it before, laws and regulations change. REALTORS[®] handle hundreds of transactions over the course of their career.

6. Your rock during emotional moments.

A home is so much more than four walls and a roof. And for most people, property represents the biggest purchase they'll ever make. Having a concerned, but objective, third party helps you stay focused on the issues most important to you.

7. Ethical treatment.

Every REALTOR[®] must adhere to a strict code of ethics, which is based on professionalism and protection of the public. As a REALTOR[®]'s client, you can expect honest and ethical treatment in all transaction-related matters.
