BCAR's Annual Safety Class / Luncheon

Monday, September 12, 2022 11:30 am - 1:00 am

Location: The Hope Café 49 W. Chicago St., Coldwater

The BCCADSV has operated "The Hope Café" during the Branch County Fair for several years. They recently opened a permanent café in downtown Coldwater. Safety Meeting sponsors **Southern Michigan Bank & Trust** and **DMP Home Inspections** felt this would be a great way to support the BCCADSV & also give members who may not be aware of the new location an opportunity to check them out. Following the Safety Class you may browse their unique boutique. You're bound to find a hidden gem you cannot live without!

What can you expect?

Besides a delicious lunch (chicken salad / tuna salad / very veggie wrap, choice of fresh fruit / veggie cup / chip variety, brownie & drink), Sandy Duvendack (BCAR) has prepared a fun "Safety First" game to get things started. BCAR President Sharon Atkinson will follow with tips to make sure your webpage is ADA compliant.

Guest Speaker: Computer Expert Kyle Bowers

We've all seen the headlines: "Online Scams Soar as Fraudsters Exploit Covid", "Bitcoin Scam Tricks Teacher Into Giving Away Savings", "Planned Parenthood LA Hack Affects 400,000 Patients". Unfortunately, Branch County is not immune to these attacks. Just a couple of months ago, the headlines read "KCC Systems Impacted, Campuses Closed Due to Ransomware Attack". Kyle Bowers will draw on his computer & internet expertise to teach you how to steer clear of the scammers & protect yourself against cyber crime, identity theft, ransomware & more.

Please RSVP by Thursday, September 8th

517-278-3192 or branchrealtors@gmail.com
